City of Sutton Newsletter

Issue 38

January 2020

*A new chapter unfolds,
A new story to be told,
We say hello to the new,
We say goodbye to the old
HAVE A BLESSED NEW YEAR!*

SuperioriNET will be mailing out a market survey labeled "Fiber Optic Survey" in January 2020. The purpose is to determine the demand & possibility of installing a fiber to the Home/Business internet service in Sutton.

Friendly Reminder for Snow Removal:

Residents are required to clear their sidewalks of snow within 24 hours of the storm. Sidewalks near the area of the school need to be cleared as soon as possible to prevent students walking in the streets.

In order to expedite snow removal, businesses are required to clear their sidewalks within 5 hours of the storm. With an overnight storm, we ask the sidewalks be cleared before 5:30 am to allow the city staff to properly keep the downtown parking areas and streets cleared of snow in a timely manner.

Your co-operation is greatly appreciated!
