Coronavirus, entry to
these events may be
restricted.**

City of Sutton Newsletter

Issue 44

Happy 4th of July

July 2020

City Hall will be closed Friday, July 3rd in observance of July 4th.
May everyone have a safe and enjoyable holiday.

Fireworks Safety

Light up the night and stay safe.

Here's a few tips to keep in mind before you start
your fireworks show.

- **Keep It Legal**
Buy only legal fireworks. The majority of injuries sustained from fireworks result from illegal fireworks. Fireworks are usually sold in prepackaged units. Avoid anything in brown paper as it maybe illegal and not intended for customers.
- **Keep Water Close**
Always have a bucket of water nearby in case of emergency. As an extra precaution, douse burned fireworks with water and let set overnight before discarding them in the trash.
- **Keep Away**
Once you've lit the fuse, back up immediately and maintain a safe distance. If your firework doesn't work properly, douse it with water and do not attempt to retrieve or reignite it.

Sutton Community Center

For the patrons that have a walking key, there is a Covid-19 Sutton Community Center fob holder agreement that must be filled out and signed by the key holder before the key can be re-activated. This form is available at City Hall.
