CITY OF SUTTON NEWSLETTER

Issue 24

November 2018

Leaves

Just a friendly reminder that leaves cannot be pushed, blown, or raked into streets, alleys, or storm drains.

Alley Right-of-ways

Alleys throughout the city allow access to the rear of properties to upkeep utility systems. In an emergency, easy access to these utility systems in a timely manner is essential. Residents are reminded to keep alleyways clear of vehicles, trees, bushes, garbage and other obstacles. A simple rule of thumb is if you can't drive a straight line through your alley, the obstruction needs to be cleared.
