# CITY OF SUTTON NEWSLETTER

Issue 58

September 2021

School has started.  
Please be mindful of keeping  
your sidewalks clear and watch  
for children crossing intersections

Fall begins September 22, 2021.

With the beginning of fall comes:

- ◆ Tree Leaves
- ◆ Garden Cleanup
- ◆ Flowerbed Cleanup
- ◆ Final mowing of yards

Large clumps of grass and leaf debris can obscure potential hazards

in the roadway and can make it difficult to determine where the roadway ends and the curb begins. It poses a danger to motorists as they are primarily composed of water and greatly reduces traction. Motorcyclists and children on bicycles are more susceptible to these conditions.

City Hall will be closed  
Monday, September 6, 2021  
in observance of Labor Day.

Reminder:

All tree limbs are the residents  
responsibility to pick up and dispose of.  
Tree limbs can be taken to the compost  
dump during open hours or check out  
a key from City Hall.

Attention:

Phone calls coming into City Hall may be monitored or recorded for quality assurance purposes. Your continued participation of the phone call serves as your consent.

### 20th Anniversary

September 11th honors the memory of the nearly 3,000 innocent victims who died in the September 11, 2001, terrorist attacks. Below is a brief summary of that day.

- 8:46 AM EDT – American Airlines Flight #11 collides into the World Trade Center
- 9:03 AM EDT – United Airlines Flight #175 collides into the World Trade Center South Tower
- 9:37 AM EDT – American Airlines Flight #77 crashes into the Pentagon
- 9:59 AM EDT – World Trade Center South Tower Collapses
- 10:03 AM EDT – United Airlines Flight #93 crashes in Shanksville, PA
- 10:28 AM EDT – World Trade Center North Tower Collapses

Every year since that fateful day, the United States comes together to remember the fallen. We remember the first responders and those who made difficult decisions. Since that day, memorials have risen from the ashes.
